

Bishop Donald and Trudy Harvey Legacy Fund

Investing today in discipling and nurturing children and youth to be faithful leaders in the church tomorrow

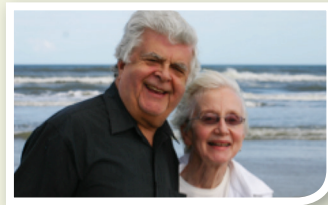

The Bishop Donald and Trudy Harvey Legacy Fund is named in honour of the Right Reverend Donald Harvey, the first bishop of the Anglican Network in Canada (ANiC), and his wife of 50 years, Trudy (Gertrude).

This Fund will support creative, sustainable ministry initiatives in ANiC which nurture and disciple children and young people.

Donations to this Fund may be made through ANiC parishes or directly to ANiC – either online, via the ANiC website (www.anglicannetwork.ca), OR by cheque to the ANiC office at Box 1013, Burlington, ON, Canada, L7R 4L8. Please clearly design the gift “Bishop Donald & Trudy Harvey Legacy Fund”.

This fund will be independently administered by a board of directors initially comprised of Bishop Don and Trudy, ANiC’s diocesan bishop and three appointees made by the diocesan, including one from ANiC’s Council.

A grant application procedure will be announced soon.

The Right Reverend Donald & Mrs Trudy Harvey

Bishop Don Harvey is the founding diocesan bishop and moderator of the Anglican Network in Canada.

While Bishop Don traveled North America, and even the world, ministering and helping to build ANiC, ACNA and the Global Fellowship of Confessing Anglicans, Trudy quietly and sacrificially made his ministry possible.

Trudy, a 30-year primary school teacher, is a church musician, an active community volunteer, and a passionate prayer warrior.

Bishop Don and Trudy make their home in St John’s, Newfoundland

“I believe ministry with children and youth is a vital area which requires much more effort and resources. We do not have the luxury of time on our side.”

~ Bishop Donald Harvey
